

**The Journal of General Physiology**  
**MANUSCRIPT SUBMISSION FORM**  
Please type or print all required information

**Manuscript title:**

**Authors:**

**Checklist:**

- Complete manuscript as single PDF.
- Complete name, mailing address, telephone and fax numbers, and E-mail address of corresponding author on title page.
- Submission letter (if more than one author).
- Manuscript double spaced throughout; each section beginning on a new page.
- Abstract of no more than 300 words, no nonstandard abbreviations.
- Up to five keywords, not in the title, at the bottom of the abstract page.
- Abbreviations in a footnote.
- References in the correct format.
- Figures in the recommended format.
- Permissions to cite personal communication.
- All unpublished findings appear in the text (and not on the reference list) as either “unpublished data,” when the source is an author(s) of the article under consideration, or as “personal communication,” when the source is not an author of the article under consideration.
- Copy of submitted or “in press” manuscripts relating to this manuscript enclosed.
- Any conflicts of interest—please describe in letter of submission.
- Experiments on vertebrates conducted in accordance with the *Guide for the Care and Use of Laboratory Animals* (1996. National Academy of Sciences, Washington, D.C.).
- “Manuscript Content Verification and Provisional Copyright Assignment and Publication Agreement” enclosed and signed by all authors.

This manuscript will be considered for publication in *The Journal of General Physiology* with the understanding that it is submitted on an exclusive basis. The material in the manuscripts has neither been published elsewhere nor is it submitted for publication elsewhere.

If accepted, no part of this article may be reproduced, transmitted in any form or by any names or stored in any retrieval system of any nature without the express written permission of the copyright holder.

The authors hereby assign copyright for the above article, if accepted, to The Rockefeller University Press in order to permit distribution that extends beyond the printed edition of *The Journal of General Physiology*, and sign for and accept responsibility for releasing this material.

Signature of corresponding author verifying that all of the above information is correct: _____
Typed or printed name: _____ Date: _____

**Address for electronic submission:**

jgp@mail.rockefeller.edu
